The new Satellite 2550CDT.

A more personal computer.

It's here. A low-cost portable computer with multimedia performance that will leave you pleasantly surprised: the Satellite 2550CDT. A PC that is both compact and affordable, yet offers all the features you'll need for a true mobile multimedia experience. Including a fast 366 MHz Intel® Mobile Celeron™ processor, luscious 12.1" TFT colour display, integrated diskette and 24X CD-ROM drives, powerful Toshiba Bass Enhanced Sound System, integrated V.90 (56 Kbps) modem for global data and fax communications, and special Easy Keys for fast access to the Internet and CD Player. And all with the quality and reliability you'd expect from Toshiba. Take it from Toshiba. It's time to get personal.

TOSHIBA

The new Toshiba notebook. This time it's personal.

Sounds great: enjoy music and games to the full with the Toshiba Bass Enhanced Sound System.

Double compatibility: integrated diskette and CD-ROM drives as standard.

Couldn't be easier: special Easy Keys offer Internet access and CD entertainment at the push of a button.

Always well connected: the integrated V.90 (56 Kbps) data/fax modem ensures reliable Internet and fax communications wherever you are in the world.
